3. Yahan purani images dobara use hongi

- About page: orange range banner + Work/Gym/Travel/Chill image.
- Explore SORAA, homepage reviews: Feel-good wali images.
- Welcome popup, product-page offer: Feel-good wali images.
- Shop collections, search, cart, wishlist: product ki photos.
- Real People / Real Snacking: abhi product photos use hoti hain. Customer videos milne par add honge.

In sections ke liye extra image files nahi banani hain.

4. Designer ko bas ye bolna hai

- 20 fixed graphic files banani hain: home ke 18 + product page ke 2.
- Product photos, collection covers aur blog covers alag hain; unki quantity products/articles ke hisaab se hogi.
- Main banner ka text reference jaisa rakhein. Baaki photos mein button, heading ya price na likhein.
- Product packet, logo aur colours clear aur sahi hone chahiye.
- JPG/PNG files aur editable design file de dein.
- Mobile ke liye alag files abhi zaroori nahi; image ke kinare par zaroori cheezein na rakhein.

Logo, retailer logos, globe/map aur small website icons ke liye nayi illustration nahi chahiye.
